RE: Garza Tract—C14-2014-0011A and C14-2014-0011B

Dear Council Member Troxclair:

Thank you for your attendance at OHAN's February meeting last night.

I understand that the above-referenced zoning cases are set on Council agenda today at 2pm.

I previously sent a letter dated January 29, 2015, expressing the concerns that have been raised by some OHAN member groups regarding the vehicle trip generation and the transportation issues those trips raise. I wanted to let you know that I am continuing to facilitate meetings between OHAN member groups and the owner group to continue to work through these issues. As you recall from last night, Dan Wheelus has committed to meeting again with our members, and I am in the process of scheduling a membership meeting within the next week.

If you have any questions, please feel free to contact me at (512) 263-2666 x103.

/s/ Darryl W. Pruett
