

Chairwoman Betty Baker

Members of the Zoning & Platting Commission

December 5, 2005

Madame Chair & Commissioners:

On behalf of the Oak Hill Association of Neighborhoods (OHAN), we support the requested site plan extension submitted by Southwest Hills Community Church. We understand that they require a ten (10) year extension of their existing site plan in order to fulfill their master plan. Again, we have no objection to the requested extension and ask for your support of the City of Austin staff recommendation of 10 years.

Respectfully submitted,

Bruce Perrin  
President  
Oak Hill Association of Neighborhoods
